Privacy Policy and Consent to Disclosure of Personal Information

Pursuant to the Personal Information Protection Act and Taipei Computer Association (TCA)'s privacy and confidentiality policies, we hereby inform you about the TCA's privacy practices, and describe the disclosure of various information we may collect, use, and store from you with respect to your participation of this event (the information). By signing the form (or clicking "I Agree"), you agree to the following:

- I. For the purpose of handling or executing tasks, activities, plans, providing services related to this program, and for TCA's internal administrative management, reporting to competent authorities, or other purposes in line with TCA's defined business, as well as for sending information regarding the association or industry-related activities, we need to collect the following categories of your personal information: name, gender, date of birth, mobile phone, commonly used email, mailing address, school name, department name, year of study, language proficiency, student ID number, laboratory/advisor, school transcript, work experience, E-portfolio, MOOCs or physical course certificates, graduation certificate, admission notice, military service discharge/exemption certificate, company name, job title, student ID card, social media (Facebook, Instagram, LinkedIn, Google+, YouTube, LINE), and autobiography.
- II. The information shall be used for the following purposes: To provide the notification of services, such as, to establish the event confirmation, identity verification, to transmit event or related industry information, or to be used for internal data statistics and analysis.
- III. TCA may develop its business and provide services with third party business or related government agencies that the project attach to, or in these cases TCA may share the information related to those transactions with such third party. TCA shall provide such entities with access certain information needed to perform their functions; therefore, shall take measures to ensure that they may not use the information provided for other purposes. TCA shares information only as described above to third parties that are either subject to this "Privacy Policy Consent to Disclosure of Personal Information" contract or a privacy policy at least as enforceable as effective as the "Privacy Policy Consent to Disclosure of Personal Information" contract.
- IV. The information shall be available to TCA and its co-organizers, as well as, affiliated businesses within Taiwan's jurisdiction until the completion of the aforementioned collection purposes.
- V. In accordance with Article 3 of the Personal Information Protection Act, you may exercise inquiries or request for a review, make duplications, supplement or amend, delete or discontinue the usage of the information. Whether you request for deleting the information or opt-out of receiving emails or not, TCA reserves the right to communicate with you via email with respect to identity verification, important contact confirmation, notices or changes arising out of or related to this event. To protect mutual rights and interests, TCA will retain communication history of your deleting request as a record for future reference.

Please make sure the information on record is correct. Therefore, you have a choice whether or not to provide information; however, if you fail to provide certain information some features or functionality of this event, as well as, the following ones in the future shall become unavailable to you. Unavailable services may include, but not limited to, receive important event notice, customer services, ordinary contact, promotional email and participate related activities.

If you need additional assistance or the aforementioned requests, please contact us during our office hours.
